

Trump International Hotel & Tower New York

SOARING HIGH ABOVE COLUMBUS CIRCLE, Trump International Hotel & Tower® New York (www.trumpnewyorkhotel.com) is the premiere property of the Trump Hotel Collection and one of only five Forbes Five-Star hotels in New York. The 52-story glass tower is situated just steps from the Time Warner Center, Lincoln Center, and Central Park. Recently, Trump New York underwent a \$30 million renovation in which all 167 elegantly appointed guest rooms and suites were given a rich dramatic color palette conveying a sophisticated urban feel. Each room and suite offers custom furnishings, a fully equipped European-style kitchen, and floor-to-ceiling windows with outstanding views of Central Park and the Manhattan skyline.

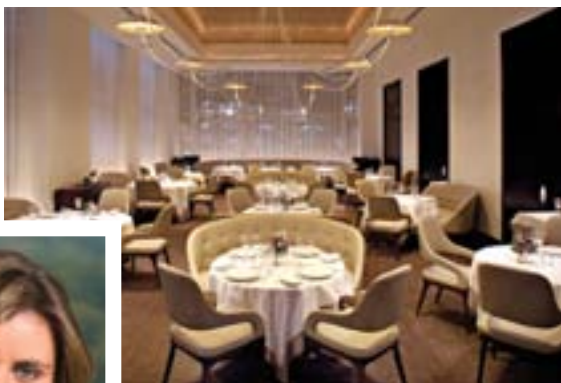

One of the most indulgent of the services offered at the hotel, Trump Attaché™ serves guests' needs on a 24-hour basis, before, during, and after their stay – from satisfying pre-arrival grocery and floral requests to arranging for laundry and dry cleaning, and from personal shopping services to the preparation of personalized business cards and stationery.

Diners with a particularly refined palate will appreciate that the property is the only Forbes Five-Star Hotel with a Five-Star Restaurant (Jean Georges) in New York, which was the winner of the 2009 James Beard Foundation Award for Outstanding Restaurant. For those eager for a more casual dining venue, Nougatine offers Jean Georges signature dishes as well as daily specials.

Visitors seeking respite from the busy streets of New York will delight in the property's 6,000-square-foot spa and health club featuring an array of treatments, as well as steam baths, yoga instruction, and a 55-foot heated indoor pool.

The property is an elegant and exclusive choice for those looking for a venue for either business or pleasure, offering a 665-square-foot Executive Boardroom as well as Five-Star catering by Jean Georges.

As the flagship property of the Trump Hotel Collection, Trump International Hotel & Tower New York is managed by Suzie Mills, who has served on the hotel team since its pre-opening in 1996. ●
