

LEADERS

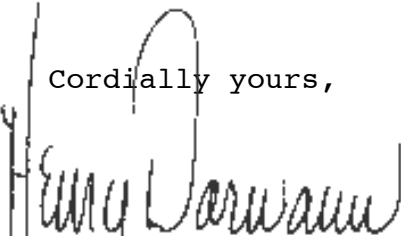

We are assembling inspirational messages from the world's leaders in all walks of life. When completed, we plan to provide universities, colleges, and schools with these manuscripts to show young people - the future leaders - that life is not always easy but that hardships can be overcome.

Which world leaders would you consider most important and do you have suggestions or an inspirational message that would be useful?

Your words would mean a lot at a time when inspiration and example of kindly spirit is truly needed.

We are deeply appreciative of your consideration and look forward to hearing from you.

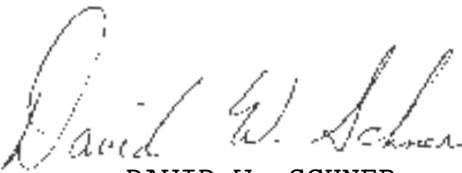

Cordially yours,
