

LEADERS

Now we celebrate our 30th anniversary with a special issue that's a little wider than our usual size (with age, we are all a little wider than our usual size).

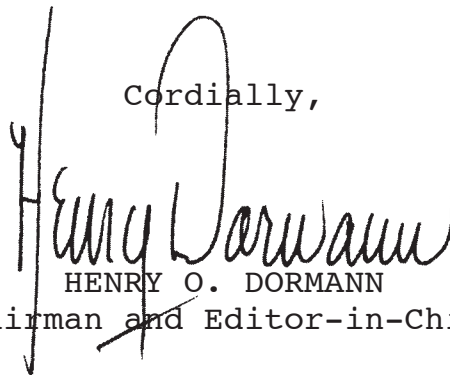

The issue is also special for those of you who love to travel, are required to, or both. We highlight truly some of the best in worldwide hospitality.

Of course, we continue to publish interviews with successful and interesting leaders from all walks of life and value very much your suggestions as to whom we should include in the future.

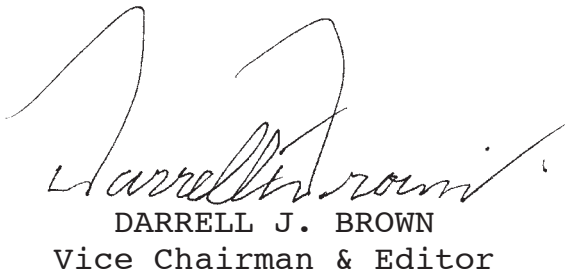

For making these last 30 years such a rewarding experience, we thank each of you - our readers, our advertisers and especially all of you Presidents and Kings, Ministers and Nobel Laureates, Scientists and Educators, CEO's and Director's, Administrators and Adventurers and other Smart and Nice people who have graced our pages editorially.

Now, for the next 30 years. It's going to be a grand time!

Cordially,

HENRY O. DORMANN
Chairman and Editor-in-Chief
