## The Trump International Hotel & Tower New York

THE TRUMP INTERNATIONAL HOTEL & TOWER NEW YORK'S SUITES offer plenty of room to relax, with captivating views to complement the experience. Custom furnishings, park and skyline views, and all the comforts of home define the generous suites at this extraordinary hotel.

The hotel's 89 executive one-bedroom suites and 30 two-bedroom suites are outfitted in bold, engaging designs. In both the City View and Park View Suites, details encourage guests to unwind and indulge, and sunlight pours through floor-to-ceiling windows. Fully equipped European-style kitchens feature china place settings, crystal glassware, and Christofle serving trays, while the luxurious Italian marble baths provide soothing Jacuzzi tubs to melt away stress. Fresh flowers add a residential touch, and custom vanities, 42-inch LCD high-definition televisions, and wireless Internet access add the conveniences of home.

For a light snack or a gourmet meal, guests can enjoy the cuisine of famed Executive Chef Jean-Georges Vongerichten at the hotel's signature restaurant, Jean-Georges, or privately and conveniently with 24-hour in-room dining. With advance notice, an in-suite chef can also prepare culinary specialties in a guest's kitchen and present a meal, course by course, within the suite. To complete the world-class suite experience, the Trump International Hotel & Tower New York also offers exclusive attaché services. ●
