The Peninsula Beverly Hills

THE PENINSULA BEVERLY HILLS (WWW.PENINSULA.COM/BEVERLYHILLS) is the only AAA Five Diamond and Forbes Five Star-rated hotel in Southern California for 19 consecutive years. The property offers 193 newly renovated guest rooms, including 36 suites and 16 private villas, nestled among lush tropical gardens in the heart of Beverly Hills. Home to The Belvedere, the only AAA Five Diamond-rated restaurant in Los Angeles for 17 consecutive years, The Peninsula Beverly Hills also features The Living Room, The Peninsula Spa, and The Roof Garden. The elegant property is within easy walking distance of Beverly Hills' legendary Rodeo Drive.

The Peninsula Beverly Hills recently completed a year-long renovation of all guest rooms, suites, and villas. Guests seeking the best the property has to offer will want to opt for either The Peninsula Suite or The Royal Patio Suite. Both of these spacious guest accommodations feature fireplaces, advanced flat-screen televisions and audio systems, and are accessorized with a diverse collection of books and objects, as one would find in a private home. The suites also feature sleek contemporary kitchens outfitted with the latest Viking and Sub-Zero appliances.

The hotel's 2,250-square-foot Peninsula Suite is decorated in soft greens and offers extravagant views of the city and hills beyond. The upholstered walls provide a backdrop for framed antique Asian textiles, Chinese blue and white porcelain, and a grand piano. The principal seating area faces a carved-wood fireplace and features a hand-knotted Savonnerie area rug. In the dining room, where the mahogany table seats 10, hand-painted Chinoiserie-style murals depict an intricate pattern of foliage, birds, and flowers, evocative of the hotel's garden setting. A Chinoiserie-style screen is the focal point of the master bedroom, which features a hand-painted four-poster bed and a spacious seating area.

The Royal Patio Suite, also a spacious 2,250 square feet, features cream-toned backgrounds and upholstery accented with gilded and hand-painted finishes. Linen drapery frames views of the expansive terrace, the hotel gardens, and the Century City skyline. The great room features several seating areas, contemporary artwork, and a dining table that expands to seat eight beneath a crystal chandelier. French doors lead to the private terrace, which is ideal for al fresco entertaining. ●
