## *The Ritz-Carlton, Millenia Singapore*

AS THE INVESTMENT CAPITAL OF SOUTHEAST ASIA, SINGAPORE has no shortage of wonderful hotels, but the one that stands out is The Ritz-Carlton, Millenia Singapore ([www.ritzcarlton.com/Singapore](http://www.ritzcarlton.com/Singapore)), which excels in taking care of VIPs and business executives with their redefined Club experience and newly renovated rooms.

Strategically located in the vibrant Marina Bay precinct, guests will enjoy views of the city skyline, the waterfront, Marina Bay Sands, and the Singapore Flyer and Esplanade – a short walk away from their spacious contemporary guest rooms.

The hotel's collection of over 4,200 pieces of contemporary art – valued at SGD\$5 million and including key works by Frank Stella, Dale Chihuly, and Andy Warhol – can be enjoyed via a self-guided podcast art tour.

Tailored for captains of industries, the Club experience provides exclusive personal service and attention to detail. From arrival to departure, key details are taken care of with quiet efficiency. Club guests are warmly welcomed and escorted to their rooms for a private check in. Dedicated passport and credit card scanners ensure the process is seamless.

To ensure guests look their best, a complimentary garment refreshment service is offered upon arrival for up to five garments. When time is of the essence, Club guests will appreciate a complimentary limousine service (7 AM to 11 PM daily) to get around the precinct quickly.

In a paperless age, the hotel has restored the elegance of the handwritten note. Guests-in-residence receive personalized stationery in embossed gold.

Says General Manager, Peter Mainguy, “We are dedicated to creating what our guests want and need. The new Club experience enhances the details because these are what matter. Above and beyond the important small touches, our Club guests will also enjoy a traditional afternoon tea presented at the Ritz-Carlton Club Lounge. Delicately layered scones, sandwiches, and sweets are offered on a three-tiered stand with their choice of tea. It is the perfect Club experience with an exclusive and rarified ambience enhanced by breathtaking views of Marina Bay.” ●
