

World's Best Suites

Bristol Plaza

PERFECTLY POSITIONED IN THE HEART OF MANHATTAN'S UPPER East Side, Bristol Plaza (www.bristolplaza.com) is designed for the discerning long-term visitor to New York. The property provides the comfort and ambiance of residential living while offering all the benefits of five-star service, and boasts 130 suites as well as a health club, swimming pool, and landscaped sundeck.

Guests will revel in beautifully laid-out kitchens and Italian marble bathrooms. The bedrooms boast generous closets, king-size beds with goose down pillows, and fine quality linens and towels; the kitchens come complete with dinner service and cooking utensils, gas and microwave ovens, a refrigerator with ice maker, and a coffee maker.

Bathrooms are stocked with fine towels and toiletries and come complete with a deep tub and a

It would seem that the success of Bristol Plaza has encouraged several hoteliers in the city to contemplate leasing accommodation on a monthly basis. The elevated cost of staying in a transient hotel often makes long-term occupancy financially prohibitive, particularly if an individual is travelling with family members. Our clients are delighted to have a suite with a fully equipped kitchen so that quiet dinners at home offer a welcome change from going out every evening!

-Hilary J. James, General Manager

three-panel mirrored vanity. Indulgent amenities include daily maid service with fresh towels and linens as well as a 24-hour doorman and concierge through whom arrangements can be made for an array of services, including theater tickets, limousine hire, and car rental.

Business travelers will appreciate 24-hour telephone message service including individually assigned telephone numbers with data-port connection for fax and Internet access. Full valet service provides laundry, dry-cleaning, and tailoring.

Visitors eager to stay in shape or just relax during their visit will enjoy the fully equipped gym, the rooftop swimming pool, and a beautifully landscaped open sundeck. ●
