## The Langham, London

SUPERBLY LOCATED IN LONDON'S WEST END, THE LANGHAM, London ([London.langhamhotels.co.uk](http://London.langhamhotels.co.uk)) continues to place a premium on the perennials of gracious hospitality while remaining enthusiastic about embracing the best of modern essentials. The property boasts impeccable five-star luxury accommodation; an exceptional dining room, lounge, and bar; an excellent health club; and Langham Service Stylists, who are heirs to the role of the butler. Comprehensive facilities for meetings, events, and weddings are available complemented by Wi-Fi throughout public areas and complimentary high-speed Internet access in the business center, as well as 24-hour IT support. The Langham, London is one of the Leading Hotels of the World, and heads of state, celebrities, and tycoons have made it their choice among London luxury hotels since 1865.

For elegant guests seeking the ultimate residential penthouse, The Sterling Suite serves to exceed every notion of luxury and space. With up to six bedrooms, bespoke furnishings from Britain's finest craftsmen, a 24-hour personal butler, and a private media lounge, this suite will indulge even the most elite traveler. Boasting a dining room, expansive sitting room with a piano, private access, CCTV cameras and entry controls, a fully equipped kitchen, a full-size work desk, 72- and 42-inch LCT TV with Digital IPTV system, and large marble bathroom with separate shower and bath, the penthouse promises to fulfill a guest's every need.

The Sterling Suite transcends the definition of a penthouse suite and is a destination unto itself. ●
