

## Sofitel Philadelphia

THE SOPHISTICATED DOWNTOWN Sofitel Philadelphia ([sofitel-philadelphia.com](http://sofitel-philadelphia.com)) is conveniently situated near the Kimmel Center and Rodin Museum. Guests of this pet-friendly hotel will appreciate the stylish accommodations. The hotel's 306 elegant rooms on 14 floors, including 68 luxurious suites, all feature Sofitel's luxurious feather-top and duvet sleep system, SoBed™. Liberté Urban Chic Lounge is a stylish restaurant and bar that brings back a bygone era with contemporary French-inspired food served in one of the city's loveliest settings.

For the ultimate indulgence, guests will want to select one of the Prestige Suites, which feature a living room with sofa bed and a bedroom with one King feather-top SoBed and duvet sleep system. Visitors will appreciate complimentary WiFi, a marble bathroom with separate shower and tub, fully stocked minibar, LCD flat-panel television with laptop connection, digital laptop-sized in-room safes, and a work desk and comfortable sitting area with coffee table, all complemented by luxurious amenities.

No visit to the City of Brotherly Love can be complete without a stay at the refined and always welcoming Sofitel Philadelphia. ●
