The Lanesborough

A MAJESTIC AND SERENE TREASURE OVERLOOKING LONDON'S HYDE PARK CORNER IN Knightsbridge, The Lanesborough, a St. Regis Hotel (www.lanesborough.com), resides in a historic building from 1827, resurrected and revived with an aura of classic sophistication and elegant grandeur. The five-star ultra-deluxe property offers unparalleled attention to detail and world-renowned service with 50 rooms and 43 suites decorated in Regency style and evoking the ambience of a 19th-century town house. Guests of the property will delight in easy access to the exclusive shopping of Harrods and Sloane Street.

The Lanesborough offers visitors an array of indulgent complimentary amenities, including 24-hour butler service, change of clothing pressed upon arrival, unlimited movies and music on demand in an interactive TV system, free Wi-Fi Internet, and a Sony VAIO laptop available in the room for complimentary use during the guest's stay.

Those seeking an exquisite dining experience will appreciate Apsleys, a Heinz Beck Restaurant, which has held a Michelin star since January 2010. The Lanesborough also offers award-winning afternoon tea, cocktails at the Library Bar, and an extensive array of vintage cognacs. The property also houses the most luxurious smoking venue in London with a wide selection of the world's finest cigars.

In addition, The Lanesborough offers a spa and fitness studio for those eager to stay in shape or decompress while away from home, as well as a business center and six venues for meetings and social events. ●
