THE PIERRE, A TAJ HOTEL, NEW YORK, (TAJHOTELS.COM/PIERRE) LOCATED ON FIFTH Avenue and Central Park, has recently been designated as a Forbes Travel Guide Five Star and AAA Five Diamond hotel. The property features a collection of extraordinary suites, including 11 Grand Suites, each of which exudes an aura of quiet luxury – a refined, gracious, and accommodating oasis in contrast to the frenetic energy and buzz of the world's most exciting city. Custom furnishings, handcrafted finishes, rich silk and brocade fabrics, Murano glass chandeliers, and carefully integrated technology come together to distinguish the Suites Collection. Two standouts include the Hutton Suite and the Charles Pierre Suite.

Named in honor of the industrialist E.F. Hutton who partnered with Charles Pierre to finance the hotel, the Hutton Suite was occupied by his niece, Barbara Hutton, as her Manhattan pied-à-terre for five decades. The suite features two gracious seating areas in front of a decorative fireplace, and the dining area and pantry are ideally situated for entertaining. The master bedroom offers expansive windows with fantastic views. The Hutton Suite may be combined with other rooms to offer up to two additional bedrooms.

Another outstanding option, the 1,369-square-foot Charles Pierre Suite, offers a spacious living room, dining room, bedroom, and bath. The space is welcoming to guests with a fireplace and French doors leading to a dramatic landscaped terrace. The Charles Pierre

Suite may be combined with an adjoining guestroom to offer two bedrooms.

Indulgent amenities sure to delight and available to guests of both suites include Turkish marble bathrooms with TV, wall-mounted 40" flat-screen high-definition TV, Bose 321 Home Theater system featuring surround sound, exclusive bath products by Molton Brown, and 24-hour room service. All hotel guests staying in a grand suite can also experience hand-selected Taj

Royal Attaché, developed from a long lineage of butlers who have been creating magic in India's imperial residences for centuries, coordinating the smallest details and catering to the grandest of whims with impeccable discretion and dignified hospitality.

For guests seeking a distinguished Manhattan pied-à-terre with the added luxuries of an iconic Forbes Five-Star and AAA Five Diamond New York City hotel, The Pierre, A Taj Hotel, New York has most recently introduced private residential stays. Guests may reside at The Pierre, A Taj Hotel for 30 days or more and enjoy the comforts of residential living with every modern convenience and service of an award-winning luxury hotel.
