

Hotel Regina

Paris

HOTEL REGINA IS A FIVE-STAR HOTEL OPPOSITE THE LOUVRE, the Tuileries Gardens, and the Eiffel Tower, making it synonymous with Parisian living and French culture. Its contemporary amenities fit effortlessly alongside original features, leaving a lasting impression of traditional French style and city living.

Hotel Regina's 99 guest rooms include 32 suites that are immaculately furnished in authentic French style, exuding an unusual and discreet charm. With luxurious toiletries, free Wi-Fi, and a range of home entertainment options, each room caters precisely to the modern traveler while retaining a glamorous air and relaxing ambiance. The property recently received Quiet Room certification and was listed as the World's Quietest Hotel in *Condé Nast Traveler*.

Each guest room is individual, giving guests a unique experience of Paris, from The Family Room with its spacious interconnecting rooms for the perfect harmony between space and privacy, to the Eiffel Tower Suite with awe-inspiring views over the symbolic Paris landmark, the Eiffel Tower, complete with soundproofing and a dressing area. Key features of the suites include flat-screen satellite TV; telephone with voice-mail system and modem socket (direct line on request); individual safe; air-conditioning with individually controlled thermostat; room service 24 hours a day; dressing gowns & slippers; telephone in the bathroom; and separate bath and/or shower. ●
