

Trump SoHo New York

TRUMP SOHO NEW YORK (TRUMPSOHOHOTEL.COM) IS THE FIRST full-service luxury hotel in the neighborhood and features 391 spacious guest rooms and suites, boasting floor-to-ceiling windows that provide unrivaled views of Manhattan's spectacular skyline and the Hudson River. With just 12 rooms per floor, the property has an intimate ambience of sophistication and indulgence. Owners and hotel guests will appreciate the property's signature restaurant, Koi SoHo, as well as the seasonal poolside Bar d'Eau. The Spa at Trump®, with its two levels of pampering services, provides New York its only authentic luxury Turkish hammams, and guests can enjoy the utmost in personal service with Trump Attaché.

In addition to being honored with the coveted AAA Five Diamond Award, Trump SoHo gives guests another reason to visit: eight spacious penthouses with incredible views that all feature two bedrooms and 2.5 baths.

The most spectacular suite is the 2,300-square-foot duplex penthouse that rises from the 43rd to the 44th floor. Double-height, floor-to-ceiling windows, and an outdoor terrace of nearly 400 square feet offer panoramic views of Manhattan. The convenience of a wine cooler, Subzero refrigerator, and the option of in-room dining make party-planning effortless.

In November of 2012, Trump SoHo New York announced a partnership with Indiewalls, an e-commerce art website, to enhance the hotel's luxurious two-story duplex penthouse with a rotating art gallery, outfitting the walls with vibrant pieces from up-and-coming local New York City-based artists.

Guests staying at the duplex penthouse receive exclusive complimentary amenities including daily breakfast, private airport transfers, two 60-minute spa treatments, and more.

Trump SoHo is the ideal location for visitors to experience ultra-luxury service with a unique downtown energy. ●
