## Hôtel Plaza Athénée New York

Hôtel Plaza Athénée New York ([plaza-athenee.com](http://plaza-athenee.com)) is steps away from some of the city's most revered attractions, including Central Park, Museum Mile and Madison Avenue shopping. The 143-room luxury boutique hotel has been the home-away-from-home for sophisticated travelers from around the world for over two decades. Owned by the TCC Group of Thailand, it is a member of The Leading Hotels of the World.

The 25 suites each display their own individual décor and unique ambiance. While one suite features stunning Art Deco design elements with

lush plum-colored furnishings, another shows off a Thai-inspired sensibility through bright white louvered paneled walls with a Plantation Shutter pattern.

The one-bedroom duplex Penthouse suites, offered in red and yellow color schemes, feature a main living room on the 16th floor and a bedroom with a solarium and an expansive outdoor terrace on the 17th floor. At 1,972 square feet, these expansive suites offer a media room with a 60-inch TV, dining area for six, and one and a half bathrooms.

The Presidential Suites located on the 8th and 9th floors are finished in classic French and distinctive Thai styles, respectively. Facing quiet, tree-lined 64th Street, these spaces can contain one, two or three bedrooms resulting in 1,410 to 2,200 square feet. Additional features include large closets, a living area with hardwood floors and an additional half bath.

Guests of Hôtel Plaza Athénée New York will feel immediately at ease upon arrival to this magnificent yet intimate space. ●
