Omni Berkshire Place New York

Omni Berkshire Place (omnihotels.com/new-york-berkshire) is elegantly positioned near Central Park, Times Square, Rockefeller Center and Radio City Music Hall. Guest rooms and suites were designed with the feel of an Upper East Side residential townhome, while keeping them spacious and larger than most Manhattan accommodations.

The property boasts 399 luxury guest rooms including 45 suites, a 17th-floor sundeck overlooking Midtown Manhattan, 24-hour in-room dining, a state-of-the-art fitness center, 7,000 square feet of function space and a 24-hour business center.

Guests will embrace the experience of staying in one of Omni Berkshire Place's incredible suites. The ultimate New York townhome suite was named in honor of Rodgers and Hammerstein who first met at Omni Berkshire Place to collaborate on the 1942 musical *Oklahoma!*. The suite features a 500-square-foot wraparound terrace with skyline views and elegant furniture, a dining room, a living room, one and a half baths and a spacious master bedroom. Located on the penthouse floor with sweeping views of Manhattan, the space is 1,000 square feet and sleeps up to four adults. It is also great for private events.

The Madison Suites, of which there are 17 one-bedroom corner units, offer 781 square feet of comfortable space and are great for meetings. Separate living areas overlook 52nd Street and Madison Avenue with fantastic views of bustling Madison Avenue.

The 5th Avenue Suites, of which there are six, vary from 450 to 500 square feet, and are great for the more casual traveler. Offering 5th Avenue views and several featuring balconies or terraces, the units are located on floors 14 and above and have separate living rooms, sleep up to four adults and can accommodate a rollaway bed.

As any visitor will attest, the customized service and elegant accommodations of Omni Berkshire Place provides a truly memorable experience. ●
