53

“The COVID-19 pandemic has brought us to another critical juncture at home and abroad. This time, our 21st century global goals of achieving health for all, nourishing the world, and expanding economic opportunity are both center stage and under siege.” – Dr. Rajiv J. Shah

“A leader is a problem-solver. A leader steps up to identify, understand, confront and resolve problems. A leader does not preside. A leader does not run away from problems or pass the buck so others take the heat for tough choices.” – Carly Fiorina

“It all starts with compassion: caring enough for your fellow human being to want to make a difference, allowing yourself to see the best in each individual, and recognizing opportunities to learn from those who have different perspectives.” – Kenneth Davis
